

# Academic Scholarships and Exhibitions at I I +

WYCOMBE  
ABBEY

---

Wycombe Abbey Academic Scholarship and Exhibition Awards carry considerable prestige, but are of limited financial value.

The following awards are available for 2017/2018:

- Academic Scholarships worth up to 5% of the fees per annum
- Academic Exhibitions of £600 per annum

## Process

Your daughter is not required to apply for a Scholarship or Exhibition Award. Following the I I + Entrance Examinations, selected girls will be invited to take the Wycombe Abbey scholarship papers. They will sit examination papers in English, Mathematics, Science and Humanities, as well as a Language Aptitude test.

The Scholarship examinations are sat at Wycombe Abbey in the February prior to entry.

Specimen papers are available on request from the Admissions team. Please email [registrar@wycombeabbey.com](mailto:registrar@wycombeabbey.com).
