WELCOME FROM THE HEADMISTRESS

Wycombe Abbey is an exceptional place; it operates as a modern full boarding school for 640 girls and we are committed to the development of each one. Built on the firm foundation of more than 120 years of educating young women, our vision is to provide a world-class education. We are excited about encouraging curiosity, bold ideas, innovation, leadership and delight in learning - inside and outside the classroom.

Superb academic outcomes are the hallmark of a Wycombe Abbey education and girls regularly secure places at the most prestigious universities globally. However, we understand the importance of looking beyond the narrow confines of excellent examination results to define success. Our rich co-curricular programme includes an array of activities and opportunities, ensuring that every girl develops her passions and explores new possibilities. These experiences, in turn, help to build the skills, discipline and character that will support her future life.

We were delighted with this year's A level results. The UVI girls achieved 31.0% at A* and 79.3 % A*-A grades. Most importantly the vast majority of the UVI are heading off to top ranking universities to study a fantastic range of courses. 4 girls have met their offers to read Medicine/Veterinary Medicine, 4 to read Law and 10 girls are to read Natural Sciences/Engineering/Mathematics. 17 girls are heading off to Oxford and Cambridge, and 6 girls will start at US universities this year including Duke, Georgetown, Carnegie Mellon, Pomona, UCLA and Brown. At GCSE, we achieved 86.8% at A* and 97.4% A*-A grades. There were some superb individual performances. The vast majority of last year's UV are continuing into our Sixth Form.

Ultimately, schools are about people and at the heart of Wycombe Abbey's success is our total commitment to pastoral care through boarding. The values of mutual respect, encouragement and trust underpin everything we do; in this happy and close-knit community everyone is known as an individual, friendships flourish and girls enjoy each other's company, all within the wonderful surroundings of 170 acres of magnificent parkland.

We offer superb modern facilities, including a leading-edge sports centre with a heated indoor 25-metre pool, a performing arts centre with its own theatre and recital hall, excellent teaching facilities and our Courtyard Café. We are constantly improving and developing our top-class estate; we are committed to refurbishing much of our boarding accommodation and we are constantly upgrading and renewing our teaching and learning areas.

Wycombe Abbey's outstanding reputation for excellence is built very much on the dedication and skills of our staff. Every member of staff at Wycombe Abbey contributes towards the School's thriving community and works to continually strengthen our ambition for excellence. We seek to recruit well-qualified and enthusiastic staff who demonstrate knowledge of, and passion for their area of expertise and contribute to the wider life of the School. In return, the School provides staff with a variety of opportunities to develop professionally in a supportive team and wonderful working environment.

Thank you for your interest in joining the team here at Wycombe Abbey. We hope that you will find the information in this pack useful and we look forward to hearing from you if you feel that this post may suit your skills and experience.

Mrs Jo Duncan

Headmistress

TEACHING AT WYCOMBE

The pupils at Wycombe are highly motivated with a strong work ethic. They are inquisitive, creative and eager to learn. Both pupils and teachers benefit from the small classes (typically no larger than 20 in Key Stages 3-4 and no larger than 12 in the Sixth Form), as well as well-resourced classrooms, libraries, laboratories and other facilities.

There is a wide range of ages and experience amongst the 115 teaching staff. Each year a number of newly qualified, and in some cases unqualified recent graduates, join the staff body. Wycombe offers statutory induction for Newly Qualified Teachers and also offers the initial teacher training (ITT) programme to those without a PGCE. There is proactive support for all new members of staff, who are guided through their first year at Wycombe by a variety of colleagues, with the line manager and an individually-appointed mentor taking the lead.

The School prides itself on the many opportunities for continuing professional development. We organise regular whole staff in-service training and have a generous budget for training outside School. In addition, academic departments commit to sharing good practice. There are opportunities to take part in peer observation, peer coaching, learning reviews and working parties.

A Wycombe teacher typically teaches 30 35-minute periods per week (Assistant Housemistresses teach considerably fewer). In addition, she/he is attached to a boarding house and is responsible for a tutor group of around 10 pupils from the house. Teachers give freely of their time outside timetabled lessons with many committing to co-curricular and boarding activities and helping individual pupils with their academic progress. Teachers are also expected to commit a number of hours per term to other (supervisory) duties, such as accompanying house outings.

BOARDING AT WYCOMBE

Boarding is the key to our continued success. The School has a culture that stimulates and inspires throughout the day, seven days a week, empowering girls to achieve their best, academically and socially. In our happy and close community, each girl is known, and cherished, as an individual. Consequently every girl's potential, whatever that might be, is explored and fulfilled.

There are nine Senior Houses which each cater for 50-60 girls in Years 8 to 12. The Housemistress has the overview of each girl's personal and academic development, along with the Assistant Housemistress and the House Team, and is key to the success of our boarding ethos. Working with the house team, the Assistant Housemistress is responsible for ensuring a safe and comfortable environment in which pupils can both study and enjoy relaxation.

In addition there are two transition Houses: Junior House, for all Year 7 girls (up to 70 girls), which has a Housemistress leading a team of six, and the Upper Sixth House, Clarence (80-85 girls) run by the Director of Sixth Form.

The Health Centre is staffed 24 hours a day by well qualified nurses. They are always on call to give medical assistance as are the School Doctors. They are key members of the pastoral team both for the girls and the whole staff, as is the Chaplain.

The Houses are small enough for each girl to be known and to appreciate that she is a vital and integral part of the community; warmth, support and great friendships are at the core. The ethos of caring for one another starts here and spreads naturally across the whole School.

THE ROLE OF THE ASSISTANT HOUSEMISTRESS

The Assistant Housemistress works alongside the Housemistress at the heart of our pastoral system and assists in the overall responsibility for each girl's personal and academic development, taking a full and active role in all aspects of life within the boarding house.

We seek dynamic, creative and inspirational team members, with excellent communication skills. You will assist the HM in leading the House team of Tutors, Resident Pastoral Assistant and Housekeeper confidently and imaginatively and you will also enjoy working alongside others as part of the larger Pastoral Team in school. You will deputise for the HM in her/his absence and you will follow the established systems and routines in your House. Flexibility to respond to the unexpected, a sense of humour and enthusiasm are essential, as is the ability to command respect from staff and girls alike. You will be the second point of contact for parents and should be confident in developing that relationship.

You will hold a relevant degree and be an exceptional and inspirational teacher; any academic subject relevant to our curriculum will be considered. We welcome applicants from any sector.

The AHM is expected to be fully responsible for the House for some mornings and evenings each week (minimum 3 evenings) plus some time at weekends, either in House or at other events. There may occasionally be the need to provide overnight cover in the House and the AHM is expected to be in residence in the boarding house during term time. The AHM should expect to be working for up to one week before the start and up to one week after the end of each term. An AHM can usually expect to teach up to 22 periods per week.
