

# Examination Results and University Destinations

2021

Wycombe Abbey has a long tradition of academic success. The learning environment is supportive, yet challenging and our teaching specialists communicate a genuine love of their subject, encouraging all our pupils to pursue an intellectual curiosity beyond the curriculum.

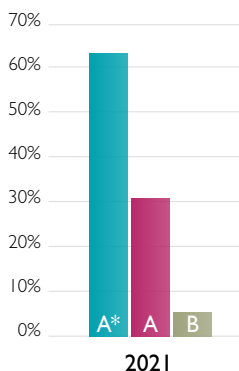

# Outstanding Examination Results

---

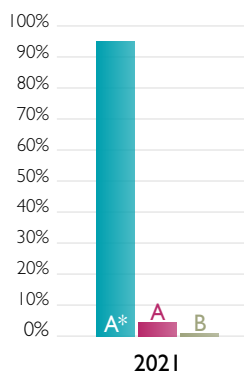

## A Level Results

In 2020/2021, 63% of grades were A\* with 99% of results graded at A\*-B.

## GCSE Results

In 2020/2021, 95% of grades were A\* (8/9) and 99% of grades at A\*-A (7/8/9).

## University Destinations 2021

Our leavers go on to study a wide range of subjects – from Art History and World Philosophies to Architecture and Veterinary Medicine – at a broad range of world class institutions around the world. In the UK, perennially popular destinations were once again represented with multiple leavers pursuing programmes at the University of Cambridge, Durham University, Imperial College London, King's College London, the London School of Economics, the University of Oxford and University College London. The most popular courses in 2021 were Medicine, Veterinary Medicine and Dentistry. Acceptances in the USA include the University of Chicago, Columbia University, Georgetown University and Stanford University, alongside a number of highly selective small liberal arts colleges.

## Higher Education and Careers Guidance

Wycombe Abbey aims to inspire, inform and support girls in preparing for rewarding and successful experiences at university and into their careers. The Sixth Form Team and Careers Department work closely with the girls to provide specialist support in a wide range of areas. Our University Preparation Programme (timetabled lessons) includes a Future Ready week of activities focusing on preparation for university applications and life beyond education. More broadly, our in-house, full-time American and International Universities Office support girls applying overseas via their four-year pathway, and the Careers Department organise work experience placements and engaging inspirational speakers at tailored events, such as the annual Careers Seminar and regular Career Spotlights. Wycombe Abbey is a partner school of InvestIN Education which offers a wide variety of insight days and weeks into an increasing range of careers.

# Leavers' Destinations 2021
