

Academic Scholarships and Exhibitions at 13+

WYCOMBE
ABBAY

Wycombe Abbey Academic Scholarship and Exhibition Awards carry considerable prestige, but are of limited financial value.

The following awards are available for entry in 2021/2022:

- Academic Scholarships worth up to 5% of the fees per annum
- Academic Exhibitions of £600 per annum

The Award will normally be for your child's entire career at Wycombe Abbey but it is subject to regular review and is conditional upon satisfactory progress.

Process

If you would like your child to be considered for an Academic Scholarship, she will need to sit the Scholarship Examination papers at Wycombe Abbey instead of the Common Entrance papers during the 13+ entry assessments. International candidates are permitted to sit the papers at British Council offices overseas.

Candidates will sit papers in English, Mathematics, Science, History, Geography, Religious Studies and a Modern Foreign Language (French, German, Spanish or Mandarin Chinese (simplified or traditional)). There are also optional papers in Latin and Greek.

The Scholarship examinations take place in the January prior to entry (when your child is in Year 8).

Specimen papers are available on request from the Admissions team. Please email registrar@wycombeabbey.com.
