

Examination Results and University Destinations

2020

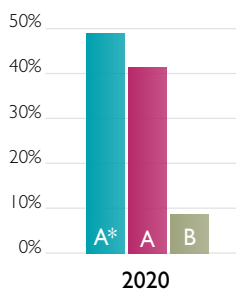

Wycombe Abbey has a long tradition of academic success. The learning environment is supportive, yet challenging and our teaching specialists communicate a genuine love of their subject, encouraging all our pupils to pursue an intellectual curiosity beyond the curriculum.

Outstanding Examination Results

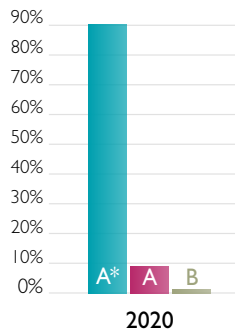

A Level Results

In 2019-2020, 90.2% of all grades were A*-A and 98.5% of entries were A*-B.

GCSE Results

In 2019-2020, 98.7% of all grades were A*-A and 100% of entries were A*-B.

University Destinations 2020

Our leavers go on to study subjects as diverse as Archaeology, Biochemistry, Chinese Studies, Economics, History of Art and Politics at Oxbridge and Russell Group universities in the UK and a record number of 18 girls accepted places in the US, such as Stanford University, Duke University, University of California Berkeley and Columbia University. In 2020, 10 girls went on to read Medicine, six to read Law and nine will begin courses in Sciences and Engineering. 22 girls have accepted places at Oxford and Cambridge this year.

Higher Education and Careers Guidance

Wycombe Abbey aims to inspire, inform and support girls in preparing for rewarding and successful experiences at university and into their careers. The Higher Education and Careers Guidance teams work closely with the girls to provide specialist support in a wide range of areas from preparations for US college admission to assisting with work experience placements and engaging inspirational speakers at tailored career events, from the annual Careers Seminar to regular Career Spotlights. Every girl in the Sixth Form attends the Management Conference and the Leadership Conference, enabling them to acquire valuable employability skills. Wycombe Abbey is a partner school of InvestIN Education which offers a wide variety of insight days and weeks into an increasing range of careers.

Leavers' Destinations 2020

22 girls have accepted places at Oxford and Cambridge this year

10 girls are reading Medicine
